

REMARKS

Accompanying this amendment is a set of twenty (20) sheets of formal drawings. Applicants submit that the formal drawings overcome the objections of the draftsman, as reflected on the PTO 948 form.

Applicants respectfully request that the above amendments to the specification be entered. It is submitted that entry of these amendments at this time is proper, because they are necessary to correct minor typographical errors or to rectify the inconsistencies between the formal drawings submitted herewith and the description of the drawings in the present application. No new matter has been entered.

Applicants submit that the above amendments comport with the requirements of 37 CFR § 1.312 and should be entered.

Respectfully submitted,
